Electronic tuner

Box instrument

Sponge shoulder rest

Stickers, practice aids, other motivational items

facilities rental

Shipping cost, tax, etc.

### **When do the kids come to class?**

Children will begin attending class with their parent on November 4. Your child will receive a box instrument and dowel bow at this class. Box and Twinkle Class tuition will be \$500 payable in one payment or in monthly payments if need be.

**Please make all checks payable to BHSS Twinkle Account.**

### **When do we need a student instrument?**

We will discuss arrangements for obtaining an instrument for your child during the Parent Class. It is especially important for us to measure the students and fit them with the appropriate size instrument at this young age. The students will graduate to their real instruments in December. Catalogues and other information about purchasing an instrument will be included in your materials for Parent Class.

### **Attendance**

100% attendance at all classes of the Twinkle Program will be expected. There may be an occasional illness or emergency that will prevent you from attending. Please call either Deb or Charlie as soon as you know that you will be absent, so we can plan class accordingly.

**Deb: 431-5181, Charlie: 431-4926**
